

Star Little Quilt

Little Quilt measures 24 inches square with borders.

Star block measures 16 inches finished (16.5 inches with seam allowances).

Cut Center Novelty Print 8.5 inches square

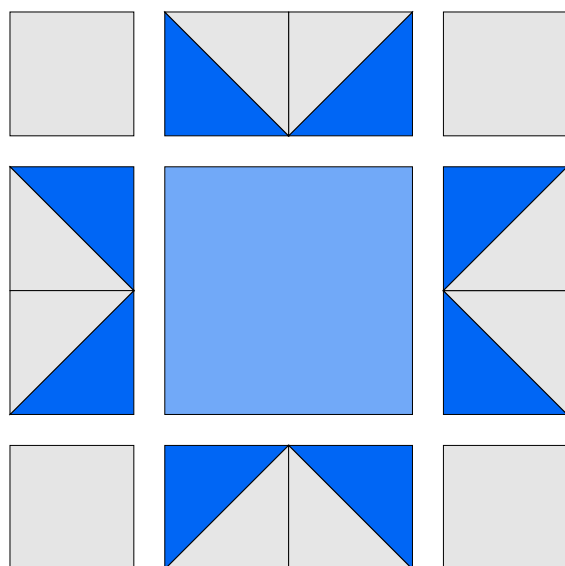

Cut 4 Gray corners 4.5 inches square

Star points can either be made with 8 Half Square triangles that finish at 4 inches (4.5 with seam allowances) or with 4 flying geese blocks that finish at 4 x 8 inches (4.5 x 8.5 with seam allowances)

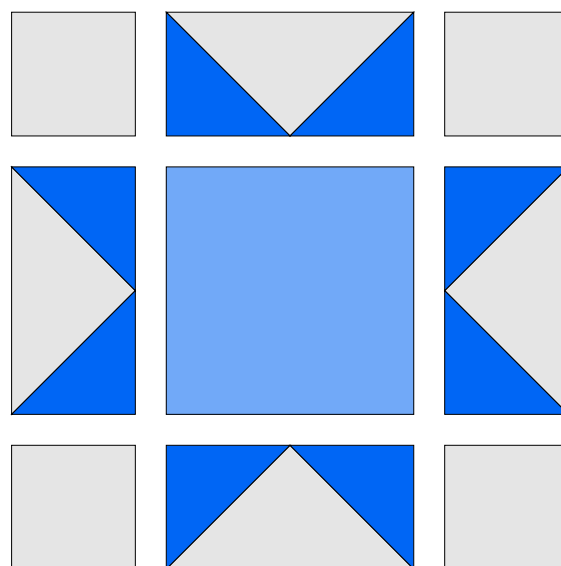

Cut inner and outer borders 2.5 inches

Cut border cornerstones 4.5 inches

Assemble the star block as shown below.

With Half Square Triangles

With Flying Geese

Sew the two borders together; adding the cornerstones to the top and bottom borders and sew them to the star block.
